AJAX

Bootstrap

Summary

I am a dedicated Front-End Developer with a keen eye for detail and a passion for creating intuitive, visually appealing user interfaces. Armed with a strong foundation in HTML, CSS, and JavaScript, I specialize in transforming design concepts into responsive, interactive websites.

Work Experience

Freelance Graphic Designer, Ascension Macomb Oakland Hospital (Freelance), Warren, MI

January 2021 - March 2021

- Created a distinctive logo for the AMOH Podiatry Resident's social media platform.
- Developed graphic templates suitable for social media posts.

Graphic & UX/UI Designer, Zouliful Jewelry, Detroit, MI

September 2022 - September 2023

- Crafted a fresh company logo.
- Engaged in close collaboration with the development team, contributing to wireframes, prototypes, and user interface designs.
- Created user research to gain insights into user preferences and needs.
- Tested website designs for usability and effectiveness.

Education

Graphic Design, Oakland University (Summa Cum Laude)

September 2015 - December 2020

Classes taken: Graphic Design I & II, Web Design I, Foundations of Graphic Design, Motion Graphics, Human Centered Design, Digital Illustration

UX/UI Bootcamp, CareerFoundry (Certification)

February 2021 - May 2022

- Created an expert app for users to connect with experts virtually.
- Collected and analyzed competitors, quantitative and qualitative data.
- Used wireframing to sketch out the app design and layout.

Web Developer, Michigan State University (Certification)

November 2023 - Present

Learning fundamental concepts of web development, including HTML, CSS, and JavaScript.
